

BioCell SC

Skin Moisturizing,
Wrinkle Care, and
Brightening Treatment

BioCell SC

- A powerful multi-tasking **facial mask** that tackles hydration, wrinkle care, and brightening -- all in one proprietary and effective formulation
- Patented coconut juice-derived bio-cellulose sheet is made with tissue fibers *500 times finer* than general plant cellulose for remarkable absorption power
- Infused with beneficial plant and fruit extracts, amino acids, and antioxidants, BioCell SC works on the skin quickly to treat the appearance of multiple visible signs of aging.

KEY INGREDIENTS

NATURAL BIOPOLYMERS provide long lasting lifting and firming effects

EDELWEISS CALLUS CULTURE EXTRACT

is a plant stem cell known for its excellent regenerative properties

FERMENTED COCONUT JUICE

supplies nutrients and vitamins to skin cells and conditions the skin

13 NATURAL PLANT AND FRUIT EXTRACTS

pack a powerful punch of antioxidants to protect against free radical damage

ESSENTIAL AMINO ACID COMPLEX consists of 16 amino acids that nourish and restore moisture to skin

KEY BENEFITS

- **Patented** (Korean patent No. 0405776, 10-0899502, and 10-0910747)
- **Deeply hydrates and moisturizes** to leave skin softer and smoother
- **Soothes and calms** skin that has been exposed to pollution, stress, or too much sun
- **Helps reduce the appearance of pores, fine lines, and wrinkles**
- **Brightens and re-energizes** the skin's appearance in just 20-25 minutes

DIRECTIONS FOR USE

1. Cleanse face removing makeup, dirt, and oils.
2. Gently unfold and remove mask from foil pouch and peel away plastic sheet.
3. Apply the newly exposed BioCell SC Mask side to your face. Then, peel away vinyl sheet attached to the opposite side of mask.
4. Leave mask on skin for 20-25 minutes, then peel away mask and massage remaining essence gel into skin allowing it to absorb completely.
